Happy New Year

F.Y.I.

Bus Cancellations – During this time of year PWSO is sometimes faced with canceling certain or all bus routes when weather conditions do not permit safe travel for our students. The Director of Transportation, in consultation with local Highway Maintenance companies and the Superintendent of Schools, may decide to cancel a particular bus route or all bus routes. Each bus driver also has the authority to cancel his/her bus route if they feel that road conditions are unsafe. This is done in consultation with the Director of Transportation.

All bus cancellations are broadcast on our local radio stations or can be found on the Peace Wapiti web site.

Parking Reminders – Please do not park in front of the school as per posted signage. Our bus lane is reserved for buses only at this time. Parents are asked to drop off or pick up their child in our parking lot. Please drive carefully as we have teachers and students walking through the parking lot at these times. Finally, we request that the front of the school be kept an “**Idle Free Zone**”. Please turn off your engines if you park in front of the school during school hours. Exhaust fumes readily come into the school through our air intakes. Thanks for your cooperation.

Skating will be starting in early February. More information will follow later this month.

Important Dates:

January 9, 23	Hot Dog Sales
January 14, 21, 28	Canteen
